NEWS

- SURVEY:
 - Thank you to everyone who filled out the survey! We will try to do surveys on a quarterly basis to continue to receive feedback from our community.
 - If you have feedback or suggestions at any time, please email nvm@northernvirginiamanagement.com at any time.
- TRASH:
 - Trash is still a big issue for our community. **Please place your trash in a trashcan with a lid.**
 - Using a trashcan is a HOA regulation and it must be clearly marked with the homeowner's address.
 - It can be difficult to identify who is setting out trash bags. If you see a neighbor who is not using a trashcan, please email us. Your name will always be kept confidential.
 - If you are not disposing of trash properly you will be called to a hearing and possibly face a fine or lose your parking privileges.

New! Our waste management company will supply you with a trashcan for free. Please email to request a free trashcan.

UPCOMING PROJECTS

The HOA is planning to:

- Paint the light posts
- Re-stripe the parking spaces
- Add steps near 8556 Southlawn Ct.
